

Plasma Ball prayer resource

Thank you for downloading this Orison school prayer space resource pack. More schoolwork resources, including for prayer spaces, are available at www.schoolwork.co.uk.

Purpose

The resource detailed here is intended for use as part of a prayer space in a school running as part of the RE curriculum or a designated spirituality or values week.

Orison

For more information regarding running a prayer space in your school, see www.orisonschools.org.uk.

These resources are available free of charge for your use. However, if you would like to make a donation to support the further development of resources such as these, you can do so at <http://orisonschools.org.uk/donate>.

Feedback

We really value your feedback to help us to continue to develop relevant and useful resources. If you do use this resource in your prayer space, please do come back to www.schoolwork.co.uk and leave a comment.

Plasma Ball prayers

Suitable for: Everyone (but it works particularly well for primary school boys)

EQUIPMENT NEEDED

Essentials:

Plasma ball (available from places such as Argos and the Science Museum online shop)

Set up the plasma ball on a table. People will be fascinated by it, particularly children, and will want to touch it, play with it, see what it does. After they have had a chance to explore, ask them how the plasma ball reflects what God is like. Prepare to be amazed by the answers, particularly from primary school children...

If you have enough people on your team, this resource works best without an instruction card, allowing people to make their own interpretation and use of the plasma ball without being restricted by words and instructions. Having a team member nearby to facilitate those who are struggling will help reduce the need for written instruction.

If you would like to hire or buy a plasma ball from us, please contact us at info@orisonschools.org.uk
