Bubble tube prayers

Suitable for: Everyone

EQUIPMENT NEEDED

Essentials:

Bubble tube
Post it notes
Pens
Beanbags and cushions

Extras:

Bibles and books about prayer
Fabric and lighting
Lining paper

Set up the bubble tube (the bigger the better) and scatter the cushions and beanbags around the edge so people can relax and watch the bubbles rise. Leave post it notes and pens around the area.

If you can, use fabric and alternative lighting to create a low-lit environment, which will be a calming and relaxing place for people to sit. You might also want to cover the floor in lining paper for people to use to draw or write prayers on.

The instruction card invites people to sit and watch the bubbles rise as they think about whatever is on their mind. If they want to, they can write prayers on post it notes and stick them on the bubble tube, or write or draw prayers on the paper on the floor.

What's on your mind? What are you worried about?
What do you need? Are there things you want to see
changed? Maybe there's something you want to say
thank you for?

The bubbles going up the tube in the middle here
represent all our prayers going up to God, who hears
all our prayers.

Write the things you are thinking about on post-it notes
and stick them on the bubble tube, or draw them on the
paper which covers the floor.
