“It’s a laugh, that’s all.”

“Everyone gets bullied. You should just shut up and take it.”

“I only bully people who get on my nerves.”

“It’s only words, it don’t ever hit anyone. What’s the harm in that?”

“Ever since my mum died I find myself getting angry. I guess I just take it out on other people.”

“If I didn’t bully them, someone else would.”

“They just ask for it. They’re cheeky they deserve a thump.”

“People from other countries shouldn’t be here anyway. They deserve a beating.”
